

SEASONS GREETINGS!

2018 has been a busy year for the Atherton/Tolhurst clan! We hope that you and all those around you are in good health and spirit. As we get ready to welcome in the New Year, we hope you take the time to enjoy our holiday greeting and catch up with us!

**HAPPY HOLIDAYS and
ALL the VERY BEST in 2019!**

PEACE

Scott Palmer continues his life in Prince George where he works for the City in the planning department. He was instrumental this summer helping us with the build of the Ranch house and we will be forever thankful for all he has done for us. He has his hands full with a new doggie, **Rosa**, a black lab/great dame mix. She is big and full of energy and loves romping around at the Ranch! Scott has just got the approval to subdivide his property so he will be busy this spring building another house. We wish him all the very best on his new project!

Tor Nicholas and his partner, **Kajal** were married in San Francisco City Hall in October. **SURPRISE!!!** Kajal is from New Dehli and completed her Phd also at UC Davis last year. They currently live in Oakland where they plan to stay while Tor tests the Academia job market. We are extremely happy for them and look forward to visiting them this Spring to celebrate this special occasion.

CONGRATULATIONS! Kajal and Tor!

Team Tolhurst and Cupper take a break!

Caitlyn & Stefano continue their busy lives, working, studying and caring for **Noah** and **Finn**! And what a great job they are doing. C and Stef dedicated ALL of their holiday time this year to helping us with the Ranch house and we could not have done it without them. Noah is a very hard worker just like his parents and he always had a shovel in his hand or wheelbarrow and was all about work and no play. We do miss them tremendously and look forward to having them back here soon.

LOVE

OUR WORLD is OUR FAMILY! LOVE THEM, CHERISH THEM and NEVER STOP CARING!

TEAA aka Gramma TT Wow! What a year we've had. I retired May 9th and we moved to the **Ranch** on the 12th. If not for our dear friends and family, **RT** and I would still be digging dirt! Our best friends from Down Under got us off to a great start and once again our family helped make our dream come together. To our kids, **Scott, Stef and Caitlyn**, your tireless efforts have been greatly appreciated, you've worked so hard. I do hope you know how much this has meant to us. We are truly grateful for all your help. To our son, **Tor**, we welcome his new bride, **Kajal** to the family. **Tor**, you've also had an exciting and busy year. Congratulations on completing your Phd, you have worked so hard at accomplishing your dreams.

FAMILY

Dare to Dream!
MERRY CHRISTMAS to ALL!

The Ranch house build has been a whirlwind of activity, emotions, challenges, ups and downs. I am so grateful for the support, understanding and hard work from my partner, my love, **TEAA**, thank you for your patience and level headed thinking. Special thanks to our family, **Palmer, Caitlyn and Stefano**, to **SilverTip** and **Rina** and to **Tom A.** My best mate, **Cupper** and his son **Will, Stef and Jen, Gina and George**, really words cannot express how grateful we are. All of you, for taking time off from your own personal lives and coming to help us!

Will, Michael A., Palmer & Cupper pour the walls.

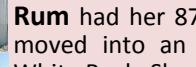

Noah & Popa Silvertip start the dig.

Building the ICF walls.

Pouring the footings!

Team ICF
